

# Girls into Electronics

UK Electronics  
Skills Foundation

Discover Electronics on a one day course at a leading university. A unique opportunity for girls aged 14-17.

Tuesday 8 July 2025

University of  
BRISTOL

- Hear from women who are working in the Electronics industry
- Attend a sample lecture, a department tour and meet current students
- Get hands-on with Electronics activities
- Find out about rewarding careers in the Electronics industry (green energy – artificial intelligence – healthcare – consumer electronics – autonomous & electrical vehicles)

*The event was fun, insightful and Electronics Engineering is now definitely an option when considering career opportunities.*
